Sagamore Hill Hike	The hill overlooking Scusset Marsh has a rich history from Indian Council grounds to a golf course to a World War II gun battery. Explore the rich cultural & natural history of this area on this 1.1-mile roundtrip walk. The view from the top of the hill includes a breath-taking vista of Cape Cod Bay. Meet at the Scusset Fish Pier parking lot; in front of the kiosk which is in front of the main building there. For all ages who can hike 1.1 miles including a short but steep incline. Rain cancels.
Cape Cod Canal: A Modern Marvel	For 100 years, the canal has been an important part of Massachusetts living. More than 20,000 ships pass through it every year and more than 3 million people from all over the area visit the canal for recreational fun - including biking, hiking, and fishing. It is also an important part of naval engineering history and is a true feat of 20 th century engineering. It is the widest sea-level canal without locks in the world. Come along for a stroll along Cape Cod Canal to learn more about its fascinating history. Meet at the Fish Pier parking lot; in front of the kiosk which is in front of the main building there. For adults and older children. Rain cancels.
Beach Exploration	People of all ages will enjoy this opportunity to explore Scusset Beach with the Park Interpreter. Scusset Beach is part of a larger coastal ecosystem that includes not only the beach but also the dunes area, a nearby salt marsh, the Cape Cod Canal, and the waters of Cape Cod Bay. Come explore the different zones that make up a sandy beach environment. We will also see how the coastal plants and animals interact together as a system. Each week, we will focus on a different topic, so join us for some fun at the beach! All ages welcome. Meet at the end of the Scusset Beach boardwalk. Rain cancels.
Beach Night Hike	Have you ever explored the beach at night? What happens when the sun goes down and the stars come out? Find out on this great hike along Scusset Beach in the dark. Flashlights are not allowed! Meet at the end of the Scusset Beach boardwalk. There is no parking fee for this program due to the timing. All ages welcome. Rain cancels.
Creature Feature	Learn all about creatures that live at Scusset Beach. We will have bones, shells, furs and more for a hands-on demonstration. Meet at the end of Scusset Beach boardwalk. All ages welcome. Rain cancels.

Beachcomber Scavenger Hunt	Search for common seashore objects and discover the lore and history behind your found items. Meet at the end of the Scusset Beach Boardwalk. All ages welcome. Rain cancels.
Afternoon Beach Ramble	This is a great opportunity to explore Scusset Beach as the sun is getting lower in the sky, the day's heat is fading and the afternoon is upon us. Each week, we will see where the beach takes and us explore what we happen upon, so join us for some fun exploration at the beach! Meet at the end of the boardwalk on the main beach. All ages welcome. Rain cancels.
Kidleidoscope	A program especially for pre-school children (ages 3-6) and an adult caregiver to partake in together. We will cover a different nature theme each week by exploring the world around us through hands-on specimens, creating a fun craft to take home with you, and listening to a story that relates to the day's theme. For children ages 3-6 with an adult. Meet at the Nature Center.
Nature Center Open House	Come and visit the Scusset Beach Nature Center. Take a look at all of the new displays, borrow a book or chat with the interpreter Emily about the natural and cultural history of the area. Children must be accompanied by an adult. Rain or shine.
Discovery Packs	<p>Would you like to try your hand at being your own explorer? You can check out Discovery Packs from the Nature Center at Scusset Beach. These backpacks are full of cool items that you can use to discover the world around you while staying at the Park. The following Discovery Packs are available to borrow: Birding, Nature Discovery, Insects, and Young Explorers.
